# Discussion Questions

## Getting Started

How much do you know about Israel? Have you ever taken the time to truly understand how the history of Israel and the Jewish people have to do with your salvation?

## Digging Deeper

The word “grace” is translated 157x in the New Testament. Here are the main ways this word is used in the gospels and the book of Acts: favor (Luke 1:30; 2:52; Acts 2:47; 7:10; 7:46); grace (Luke 2:40; John 1:14-17; Acts 4:33; 6:8; 11:23; 13:43; 14:3; 14:26; 15:11; 15:40; 18:27; 20:24); gracious (Luke 4:22); credit (Luke 6:32-34); thank (Luke 17:9). Can you comprehend how salvation was a free gift without any strings attached?

Discuss the promises God made to the prophet about restoring the fortune of the Jewish people (Jeremiah 31:36; 33:24-26). This is a prophecy that has not been fulfilled yet.

God has not replaced Israel with the church. As we learned, God’s rejection of Israel is not total but partial and temporary, and someday God will redeem multitudes of Jewish people.

## Applying the Word to Life

Pray the doxology of Romans 11:33-36 each morning this week and spend time thinking deeply about God’s mind and how unsearchable His ways are and how everything He accomplishes on earth is for His glory. Realizing that you were created to honor this great God, how can you make sure He is your goal in everything you do?

Do you have any Jewish friends? Do you pray for them? Have you ever lovingly shared with them that Jesus is the promised Messiah? Do you know enough of their Bible (Old Testament) to help them see how much prophecy Jesus has fulfilled?
